Background

Indraprastha Institute of Information Technology Delhi (IIIT-Delhi) was created as a State University by an Act of Delhi Government (The IIIT-Delhi Act, 2007) empowering it to do research and development and grant degrees. The mission of IIIT-Delhi is to be a global center of excellence in Information Technology education, training and research. Its twin aims are:

- To carry out advanced research and development in information technology and in leveraging IT in specific domain areas.
- To train and educate, at both undergraduate and postgraduate levels, engineers of outstanding ability who can become innovators and new product creators.

Institute began with its first batch of 60 B.Tech students in 2008. Since then, it has come a long way with 60+ excellent faculty members specializing in diverse areas of Computer Science & Engineering (CSE), Electronics & Communications Engineering (ECE), Applied Mathematics (AM), Social Sciences (SS) and Computational Biology (CB), and around 1100 students consisting of about 750 B.Tech students, about 213 M. Tech. students and over 124 Ph.D. scholars. In a relatively short time, it has earned a good reputation in India and abroad for being a center of quality education and research and is regarded as one of the leading institutes of the Country for IT education and research. The institute is accredited by NAAC at A level, and its B.Tech (CSE) is accredited by NBA. The Institute is also approved by UGC and AICTE.

Infrastructure and facilities

IIIT-Delhi has been operating from its permanent campus in Okhla Phase III, since August 2012. The 25-acre campus has facilities for teaching and research, hostels for both boys and girls and provisions for sports. The Academic Complex has a total of 10 lecture halls. There are two lecture halls with a capacity to seat 180, one of capacity 160, two of capacity 60 and five of capacity 30. The Faculty and Research wing have a capacity of 50 faculty offices and 8 research labs, along with PhD rooms and M.Tech labs. The Library and Information Center has a common study area for students on the ground floor, a highly equipped library on the first floor and several labs on the second and third floors. An additional facility is coming up and will be available in mid-August 2017, this will add 18 new lecture halls, 58 Research Labs, hostels and excellent facility for sports including a half Olympic size swimming pool.

The Vibrant Dining and Recreation Centre includes the mess, a cafeteria, and facilities for extracurricular activities such as a music room, table tennis and pool tables, an art room, and a gymnasium. The hostel area consists of a Boys' and Girls' hostel with a total capacity of about 550 students. At present the hostels have options of single, double and triple occupancy rooms, all of them are air-conditioned. The hostels also have an infirmary and a well-equipped common room. Infrastructure to support high-quality research includes an internet access of 1 Gbps bandwidth; a data center with 40 servers and 45TB storage, latest software and peripherals. With over 20 clubs to choose from and two extremely popular academic and cultural fests, the students at IIIT-Delhi are highly motivated and holistic in their pursuit of excellence. The institute recently

organized an independent TEDxIIITD bringing the finest young leaders and their ideas worth spreading. IIIT-Delhi also hosted Triquetra-a joint sport meet to promote the culture of sports and physical education among the students.

Phase II construction

The ongoing Phase II of campus construction will add three big lectures halls: one with 500 seats and two with 300 seats each. This phase will also add about 15 classrooms of varying sizes. The new academic building will have 120 faculty offices and 58 research laboratories. Apart from expanding the accommodation capacity of the current student hostels, two additional hostels are being built as part of Phase-II construction. This will increase total hostel capacity from 550 to around 1250. The new sports complex will also house indoor courts for badminton and squash. An indoor swimming pool with solar water heater will also be available. A new faculty block will provide housing for additional 44 faculty members.

About the program

B.Tech(ITSS) program being started from the AY 2017-18, aims to develop IT engineers with a strong understanding of relevant social science discipline. The program will also allow a student to pursue further studies in social sciences, besides allowing them to pursue higher studies in CS/IT, as well as many interdisciplinary programs. As it is a 4 year program, it will satisfy the requirements of almost all higher studies programs in India as well as overseas. It may be an ideal program for those students who are not sure if they want to pursue engineering careers and would like to explore the possibility of going for social sciences later, but want to be ready to take an IT career if desired.

For more information on the program and courses within the programs, please visit the website <https://www.iiitd.ac.in/academics/btech/itss>

Faculty

The excellence of an institute is largely determined by the eminence of its faculty. IIIT-Delhi boasts of its faculty that is comparable to the best Institutes in India and abroad. IIIT-Delhi has about 50 full-time faculty members, all of whom are doctorate from the finest institutions across the world and having significant global exposure. The quality of faculty compares with the best in the country. Academics at the Institute is further enriched via experienced visiting faculty (about 16) with a diverse background, both from industry and other Institutions. Besides excellence in teaching, the faculty is committed to pursuing high-quality research and innovation. The faculty and the Institute benefit from a thriving relationship with both the industry and leading government research organizations. Students are exposed to excellent teaching-learning pedagogy deployed by the faculty. In addition, students get an opportunity to be trained by and to collaborate with accomplished researchers in their disciplines. To see a list of faculty members, visit:

<https://iiitd.ac.in/people/faculty>

Placements

IIIT-Delhi students enjoy the best combination of strong technical background and excellent soft skills and continue to witness impressive placement statistics. The average Indian Salary of the last batch of B.Tech is Rs. 11.49 Lacs, which compares favorably with the best in the country. We host a large number of companies including MNCs such as Microsoft, Adobe, Amazon etc. and Indian Companies like Flipkart, Myntra, Snapdeal etc. Visit <https://www.iiitd.ac.in/placement> for more information on placements.

Research

Excellence in research is essential for an Institute to gain global stature. IIIT-Delhi is an Institute of higher education with a strong focus on research. It has already built strong research groups in the areas of Artificial Intelligence, Mobile Computing, Theoretical Computer Science, Security, Applied Mathematics, Wireless Communications, Signal Processing, Computational Biology, Advanced Electronics Systems, etc. The Institute faculty have been receiving research grant from the various government and industrial agencies such as DIT, DST, Nokia, SAP, Microsoft, IKSL, FIST, National Geographic Society, TCS, Indo-USSTF, Visvesvaraya, etc. We have also set up a Research Centre in Artificial Intelligence with a support of Rs. 24 Crore from Infosys. It is one of the largest gifts by any company to an educational institute in India. The Institute has incorporated research based project work in the undergraduate curriculum. UG students participate in different research projects with faculty and also write research papers. A good number of UG students are admitted to top US/European universities for higher education every year.

Admission process

B.Tech admissions for 2017 to B.Tech(ITSS) program of IIIT-Delhi will be done through Joint Admission Counselling (JAC) and IIIT-D Counselling. Details regarding number of seats, eligibility, merit list, and admission process are described below.

Admission through Joint Admission Counselling (JAC Delhi): The admission to some seats of B.Tech(ITSS) will be done through joint counselling (JAC). During joint counselling, admissions will be offered to candidates in accordance with IIIT-Delhi merit list in different categories. Detailed instructions for joint counselling will be posted on the counselling site from time to time. (www.jacdelhi.nic.in) .

Admission through IIITD Counselling: Admission to some seats of B.Tech(ITSS) will be done through IIIT-Delhi admission process as per the details provided below.

Eligibility for admission through IIIT Delhi Counselling

A non-science candidate who has undertaken qualifying examination from the school located in Delhi (having PIN CODE of Delhi) and has secured 80 percent or more marks in aggregate for five subjects and 80% or more in Mathematics in class XII from CBSE or equivalent board is eligible for applying to IIIT-D. If the result of class XII is not declared by the last date of applying, the student is not eligible for this year's admission process. If the board has more than five subjects for aggregate, the best five (including Maths and one language) will be taken into account. No candidate without proof of at least 80% in aggregate for five subjects (including Maths and one language) and 80% in Mathematics will be entertained for admission. Candidates belonging to the following categories, who apply for seats reserved for them, shall be allowed a relaxation of the eligibility requirement. The relaxation is applicable both in Mathematics and overall percentage as detailed below:

- Scheduled Castes (SC): A relaxation of 10 percent marks in the eligibility requirements for the seats reserved for them.
- Persons with Disability (PD): A relaxation of 5 percent marks in the eligibility requirements for the seats reserved for them.
- OBC: A relaxation of 5 percent marks in the eligibility requirements for the seats reserved for them.

Note: Candidates having Physics, Chemistry and Mathematics in Class XII are not eligible to apply through IIIT-D Counselling, they can apply only through Joint Admission Counselling (JAC).
