

15th September 2020

NOTICE

It is notified for information of the prospective candidates that keeping in view the COVID-19 pandemic situation and the Institute requirements and standards the Institute has decided to relax the requirement of minimum percentage at the qualifying examination for admission to B.Tech. programs. The relaxed minimum percentage at the qualifying examination will now be as under:

- GEN-70% or above in best 5 subjects and also 70% and above in Mathematics subject individually
 - OBC-65% or above in best 5 subjects and also 65% and above in Mathematics subject individually
 - SC/ST-60% or above in best 5 subjects and also 60% and above in Mathematics subject individually
 - CW- 65% or above in best 5 subjects and also 65% and above in Mathematics subject individually
 - PD-65% or above in best 5 subjects and also 65% and above in Mathematics subject individually
- Note: For EWS category, the criterion meant for GEN category will prevail.
