

Online Seat Allotment Procedure M.Tech. Admission 2020

Online Seat Allotment Procedure for CSE & ECE:

The preferences of specialization submitted by the candidates at the time of application will be processed and seats will be allotted in the order of merit as explained below. The allotment result will be available on the website <https://admissions.iiitd.ac.in/mtech/>

First Round of Seat Allotment

- i) The preferences filled by the candidates during application will be processed after announcement of Merit list.
- ii) Online Provisional Allotment will be shown in the candidate's login account on IIIT- Delhi website for the candidates who get an allotment in this round.
- iii) All the candidates who get an allotment in this round will have to pay the admission fee of Rs. 1,66,934/- online failing which his/her allotted seat will stand automatically cancelled and candidate will not be considered for subsequent ONLINE rounds of seat allotment.
- iv) Based on the number of candidates who accept the offer of admission in this round, the vacant seat will be made available for 2nd round of Seat Allotment.
- v) In case, a candidate desires to continue in the specialization allotted to him/her (i.e. does not want himself/herself to be considered for upgradation to his/her higher preference of specialization in subsequent rounds of seat allotment), then he/she must submit a request to IIIT-Delhi. This process will also be an online process. After the payment, the freezing option will be enabled for the candidates who have been allotted their lower preferences. When the candidate will click on specialization freezing option, a form will be generated there, which the candidate has to submit through mail to mtech-admissions@iiitd.ac.in. The dead line for freezing is same as the date of acceptance of offer for this round, which is defined within important dates.

Second Round of Seat Allotment

- i) Who is eligible for second round? The following types of candidates are eligible
 - a) **Type - I:** All candidates in the merit list, who were not allotted any seats in the first round of seat allotment.
 - b) **Type - II:** Candidates who were allotted a seat in the first round of seat allotment, paid their admission fee as required and not opted for Freezing of seat.

Candidates MUST visit the website <https://admissions.iiitd.ac.in/mtech/> as per important dates for knowing the results for second round of seat allotment.

- ii) In this round, all eligible (Type - I & II as indicated above) candidates MUST visit the website which can be accessed through their respective login ID, as per important dates for knowing the allotment / upgradation of seat for him/her in this round. If an already admitted candidate has already exercised his/her option for freezing of allotted seat in the first round, the same will not be considered for the subsequent round of seat allotment.
- iii) The choices submitted by the candidates will be processed centrally and the results would be made available on the website <https://admissions.iitd.ac.in/mtech/>.
- iv) Candidates of Type – I, who get an allotment in this round will have to pay the admission fee of Rs. 1,66,934/- online failing which his/her allotted seat will stand automatically cancelled and candidate will not be considered for subsequent ONLINE rounds of seat allotment.
- v) Candidates of Type - II may either get a seat of his / her higher preference choice or their previously allotted seat may remain unchanged.
- vi) In case, a Type - I candidates, who have been declared as successful candidates in this round, desires to continue in the specialization allotted to him/her at the time of admission (i.e. does not want himself/herself to be considered for upgradation to his/her higher preference specialization in subsequent rounds of seat allotment), then he/she must submit a request to IIT-Delhi. This process will also be an online process. After the payment, the freezing option will be enabled for the candidates who have allotted their lower preferences. When the candidate will click on specialization freezing option, a form will be generated there, which the candidate has to submit through mail to mtech-admissions@iitd.ac.in. The dead line for freezing is same as the date of acceptance of offer for this round, which is defined within important dates.
- vii) Type - II candidates can also freeze their specialization if they wish to do so with the same process mentioned in point vi above.

Third Round of Seat Allotment (If seats are available)

Same as second round.
